Waists and Millinery of the season.**

This opportunity comes but one time each season. You may now choose from our entire stock regardless of former prices and pay only one-quarter price.

This is a notable occasion. First, because the season's most beautiful creations will be sold at one quarter price. Secondly, on account of the immense variety offered; the largest and most varied display in Southeast Missouri. And finally, by reason of the reputation for style exclusiveness for which our garments are noted.

Values are so extremely wonderful that we hope you will be on hand bright and early to get the full benefit of this splendid offer.

**X-MAS PRESENTS TO
BE MAILED NOV 30**

Time For Preparing Packages
Has Been Extended Ten Days,
It Is Announced

The time for mailing all Christmas presents has been extended from November 20th to November 30th and the nearest living relative of any American soldier or marine with the American Expeditionary Force overseas may send him a Xmas parcel whether the Christmas label has been received from overseas or not if he will follow the instructions just received from the Red Cross by the County Christmas Parcel Committee.

These instructions are practically the same as those sent out last week for the sending of parcels to war re-

lief workers, none of whom were supplied with labels to be sent back to America. The nearest relative makes application at the nearest Red Cross station and signs a statement to the effect that the nearest living relative has received no Christmas label as yet, that if he should subsequently receive one, he would not use it, and that he knows of no other package being sent to the particular soldier for whom he makes application for a remission Christmas box. Relatives making application for these boxes in the branches outside of Cape Girardeau should fill in one to be kept in the branch office and one to be forwarded to Sam Sherman, chairman of the county committee, in order that a strict accounting may be kept of all boxes issued.

The last date for mailing the parcels has been extended to November 30th and these new orders have been received from the Red Cross by the arrival of Christmas labels from abroad and the fear that they would not come in at all. These instructions will not become effective until the morning of November 21.

Miss Emma Reinsens, a teacher in the Chadler public school, died in Chadler, Wednesday, of influenza and pneumonia.
